

DIAGRAM OF THESE THREE SCHOOLS OF ESCHATOLOGY REGARDING THE EVENTS OF THE BOOK OF REVELATION.

65 A.D.
70 A.D.
95 A.D.

PRETERISM

They CLAIM Revelation was WRITTEN by 65 to 66 A.D.
They CLAIM Revelation was FULFILLED by 70 A.D. - Including the Second Coming.
They CLAIM we've been in the Kingdom since 70 A.D., the end of the world is all the future holds.

FUTURISM

They CLAIM Revelation was WRITTEN by 95 to 96 A.D.
They CLAIM Revelation will be FULFILLED at some FUTURE period of 7 or 3.5 years.
Speculation is constant and rampant in futurism, as the latest news is often declared to be a warning sign of their always near 'beginning'. Book sellers LOVE their blasphemy!
Often their 'Millennium' begins after the second advent at the end of their 7 or 3.5 year future.

HISTORICISM

1st WOE SECOND WOE THIRD WOE

PROVES Revelation was WRITTEN by 95 to 96 A.D.
PROVES Revelation has been being FULFILLED since SOON after it was written, and continues.
Events FUTURE to the time written, but now HISTORY to our time are SYMBOLICALLY depicted in a continuous time line, leading up to the 2nd coming! These events are focused to a REGION where much of the House of Israyl had migrated to after Assyrian captivity and therefore the two main manifestations of the fourth beast kingdom of Daniyl 2, the Roman Empire, IMPERIAL ROME and then Papal Rome. The final breath is manifest in the European Union and Harlot Church and Daughters.
We are currently at the very beginning of Vial 7 in the Revelation prophetic time line. All specified Seals have now opened, all specified Trumpets sounded, and all vials poured, with residual effects still manifesting.
The 'Millennium' begins after the second advent when the Earth is purged of all things that offend.

Millennium

There are some historicists that teach the millenium is symbolic and has already manifest within the 'church age'. Therefore, the final vial to them may include things such as the Gog and Magog war.
