

# 120th AND 70th JUBILEE??

And after this law I made known to thee the days of the Sabbaths in the desert of Sin[ai], which is between Elim and Sinai. And I told thee of the Sabbaths of the land on Mount Sinai, and I told thee of the jubilee years in the sabbaths of years: but the year thereof have I not told thee till ye enter the land which ye are to possess. And the land also shall keep its sabbaths while they dwell upon it, and they shall know the jubilee year. Wherefore I have ordained for thee the year-weeks and the years and the jubilees: there are forty-nine jubilees **from the days of Adam until this day, and one week and two years**: and there are **yet forty years to come** (lit. 'distant') for learning the commandments of Yahweh, until they pass over into the land of Canaan, crossing the Jordan to the west. And the jubilees shall pass by, until Israyl is cleansed from all guilt of fornication, and uncleanness, and pollution, and sin, and error, and dwells with confidence in all the land, and there shall be no more a Satan or any evil one, and the land shall be clean from that time for evermore. Book of Jubilees 50:1-5

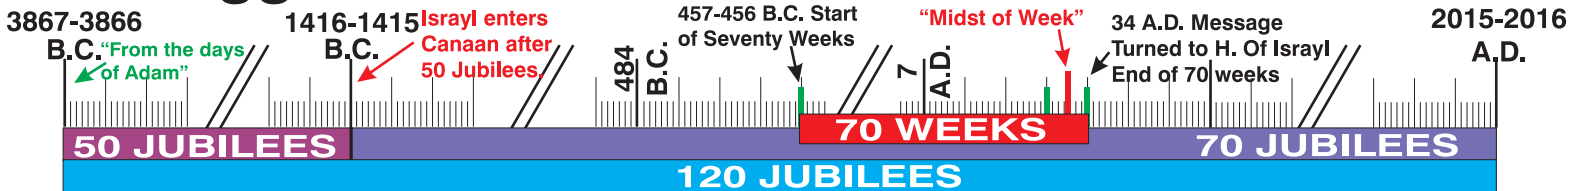

**JUBILEE 50:1-5 Tells us the Jubilee year was being counted, but not observed, very early. It shows "from the days of Adam", therefore NOT necessarily 'creation', a counting process of 49 years after 49 years was in use, and this included the Jubilee year count, proving the Jubilee year is actually also the first year of the next 49 year count process. It does NOT tell us when the counting process BEGAN, but that "from the days of Adam" to the time Israyl entered into Canaan was 50 Jubilees. Enter Canaan 1416-1415**

**Daniyl's 70 weeks prophecy till Messiah's First Coming Falls in this 49 year count process exactly.**

## The Bigger Picture

**120 Jubilees x 49 years = 5880 years < 120 years SHORT of 6000. There is another view as to the timing of the Jubilee cycle that I suggest everyone consider. Available on the "sightedmoon.com" website, the author provides a wealth of research on the subject. However, he does not align the 70 weeks prophecy in this way, and he demands a very early year, compared to this process, for the death of Messiah. My reason for providing this timeline in this way is it aligns with numerous other events, looming prophecy deadlines, and the Pyramid count. The process I have provided also aligns with David's time of reign, as shown in a previous article. I'm not sure anyone can know for sure.**

The 49 year count is the process used in Scripture for the Jubilees. The 1st year of the next 49 year count was the Jubilee year. The Book of Jubilees also backs this up.

**2Ki 19:29** And this shall be a sign unto thee, Ye shall eat **this year** such things as grow of themselves, and in the **second year** that which springeth of the same; and in the **third year** sow ye, and reap, and plant vineyards, and eat the fruits thereof.

**Isa 37:30** And this shall be a sign unto thee, Ye shall eat **this year** such as growth of itself; and **the second year** that which springeth of the same: and in **the third year** sow ye, and reap, and plant vineyards, and eat the fruit thereof.

The second coming of Messiah is imminent. I really mean it when I emphasize this could happen within the next few years, and as early as July of 2015. Some might ask, "Why July?" Because the count process for Pentecost in common usage is in error. The summer harvest of wheat and grapes will likely be the time of the second coming. Read and learn why in an upcoming article.

# 120 Jubilees & 70 Jubilees Conjunction - NUMBERS THAT MATTER!

Many people have made studies on the significance of numbers found in the Scriptures. I thought I might suggest a few areas for your own research.

**3** = Generally seen as being the number of **RESURRECTION, COMPLETENESS**. In the natural it is necessary to have three lines to enclose any space, and we have the three dimensions of height, length and breadth. In the spiritual reality Yahweh has three attributes commonly addressed Omniscience, Omnipotence and Omnipresence. The Resurrection is symbolised as well, Messiah rising the third day, the earth rising out of the deep and fruit rose up out of the earth on the third day, H<sub>2</sub>O can manifest as water, ice or steam. There are three culminating manifestations of evil against the "Holy Seed" and the **Fifth Kingdom**, the Dragon (Humanism, Communism), the Beast (Papal Rome, her EU, and her daughter Protestants) and the False Prophet (Muhammad-Islam).

**5** = The number of **GRACE**.

**10** = The number of **PERFECTION**.

**40** = The number of **TRIAL, TESTING, PROBATION AND CHASTISEMENT**. Israyl was tested and tried for forty years in the wilderness. Judah supposedly had forty years of probation, according to some, from the murder of Messiah Yahshua until the destruction of Jerusalem in 70 AD - rejecting the Glad Tidings Message. Moses the servant of Yahweh had forty years of testing and preparation in Egypt and another forty in Midian, before he was ready to lead the Exodus. Moses spent forty days on the mountain with Yahweh to receive the Torah. Yliyah traveled forty days and nights to Horeb. Goliath defied Israyl for forty days. Jonah preached warning and judgment to Nineveh for forty days. Ezeiyl spoke of the forty years of Judah's transgression. Yahshua was in the wilderness for forty days fasting before His public ministry began. Yahshua also spent forty days with Hids disciples after the Resurrection.

**50** = The number of **JUBILEE ... or DELIVERANCE**. This suggests a connection to entering into freedom, liberty and rest. The counting for Pentecost includes a fifty day count after the seven weeks. This brings one to Summer Harvest and the suggested time of the Second Coming of Messiah.

**70** = This number is associated with the **LIFE OF MAN** and with **RESTORATION**. "The days of our years are threescore years and ten", Psalm 90:10. We find in the Old Testament that some seventy descendants of Shem, Ham and Japheth were engaged in renewing, restoring and repopulating after the flood. Some seventy of the seed of Israyl went down into Egypt at Joseph's request to dwell in the land of Goshen. Moses chose seventy elders to assist him in his work of administration. Judah were seventy years in captivity in Babylon, and as already seen in an earlier chapter, Seventy Prophetic Weeks were allocated to them in the land until Messiah would come, and the prophecy of Daniyl 9:24-27 would be fulfilled. In the New Testament we find our Master Yahshua sending out seventy men to proclaim the Gospel of the Kingdom and heal the sick in Luke 10.

**120** = This number has generally been associated with **WARNING OF JUDGMENT** being **40x3** of **COMPLETION OF TRIAL, TESTING and PROBATION**. We read therefore concerning Noah's warning ministry prior to the flood: Gen 6:3 "And Yahweh said, My spirit shall not always strive with man, for that he also is flesh: yet his days shall be **an hundred and twenty years.**"

## INTERESTING THINGS

July 16, 2015 is True Pentecost for this year. It will be a Weekly Sabbath using the proper Lunar Sabbath Signs of Genesis 1, Psalm 104:19, Sirach 43, and of course Enoch's demands. It will be the 4th month 29th day of the month. It will be the day of the worldly calculated 'conjunction' as well. But did you know ...

► The Harry Potter series of movies has as the major underlying theme that of promoting miscegenation? Yes, the Cain/Esau religion mind set figures very prominent in the series. The last of the series had as its promotion headline, "IT ALL ENDS 7.15". Does that subliminally say July 2015, though the movie came out a few years ago?? What ends? Well the battle between the pure seed line, who are depicted as 'evil' of course, demanding genetic purity, and those of Harry's majority side, those promoting "mud-bloods". Obviously, there is more to the movie, and I am not concerned with that issue, but as it is with Scripture, make sure one realizes, "IT ALL ENDS" at the Second Advent. Yes the promotion of destruction of Yahweh's creation through miscegenation as all the 'mud-blood' loving abominations in the world promote will be over. Yahshua will cleanse the earth. BUT, in the movie the mongrels win. In the Scriptures, the remnant of the "holy seed" wins. It is strange to that an earlier release of one of the series fell on July 16, 2005! Yes, "Harry Potter and the Half-Blood Prince" came out on this 'occult' day! Just in time to prep the mind of America to elect its first abominable 'mud-blood' president, Barak Hussein Obama!

► For about 1500 years the famous star Sirius rose on that day, and was considered extremely important. The day that is today in modern calendars, July 16th.

► The Mayan 13 moon calendar began 692 BCE on what we would calculate today as July 16th!

► The Islamic calendar began in 622 CE on what we would calculate today as July 16th!

The site for the U.S. Capitol was chosen in 1790, 225 years ago (20x10 + 5x5 Divine perfection and grace bestowed/at an END?), July 16th.

The Czar of Russia, part of the family of the Davidic royal family of the Bible, was assassinated in 1918, July 16th!
